

Da Vinci Application Package

The Da Vinci Arts & Science Community and Environmental Leadership Program is an exciting and unique grade 11 interdisciplinary program. We are looking for energetic, thoughtful, compassionate, and committed students who are interested in exploring the environment and social issues through a unique combination of the arts and sciences. We will offer learning in both a natural environment and in a University setting.

Here is how to apply:

1. Some years, we get many excellent applications and we can only take 24 students. With this in mind, sign up for the courses you would like to take in grade 11 should you **NOT** be accepted to Da Vinci. If you are accepted, you will be automatically enrolled in the courses for the program.

2. Hand in the application package to your Guidance office, making sure to include the following items:

A) Student Information Sheet - attached

B) One to two page personal introduction (See outline below for more information)

C) A digital copy of a creative piece of some sort (drawing, photo, video of a dance, recorded piece of music, short film, etc...) Please **DO NOT** include any original artwork as it will not be returned. (See outline below for more information)

D) Two teacher references - attached

ALL application materials must be completed and handed in to your home school Guidance office by: February 26th, 2019. Applications will be reviewed and students will be notified by March 1st of their status with the program. A parent and student information night will be held in June for successful applicants. Applicants who are not successful will be contacted by guidance to resubmit their course options.
